Puzzle Advent Calendar: Days 1–4

Each puzzle has exactly one answer that fits every clue. 2–5 minutes each.

DECEMBER 1 · WHO WRAPPED WHICH GIFT?

Vic, Tara and Max each wrapped one gift (a puzzle, a scarf or a teddy bear) in one paper (striped, snowflake or red). No two match.

- The gift in striped paper isn't the teddy bear.
- Tara didn't use the red paper.
- Vic used the striped paper.
- The gift in snowflake paper is the puzzle.

Who wrapped the teddy bear?

DECEMBER 2 · ELVES: TRUTH OR FIB?

Every elf either always tells the truth or always fibs.

- Evergreen: “Nutmeg is a fibber.”
- Nutmeg: “Evergreen and I are the same kind.”

Which elf tells the truth?

DECEMBER 3 · CHRISTMAS DINNER

Ruby, Ned, Vic and Pia sit in a row of chairs numbered 1 to 4, from left to right.

- Ned sits right next to Ruby.
- Ned sits right next to Vic.
- Pia sits somewhere to the left of Ned.
- Ned sits somewhere to the left of Vic.

Who sits in chair 2?

DECEMBER 4 · WHO ATE SANTA'S COOKIES?

Someone ate the cookies left out for Santa. Exactly one of these three is lying.

- Rosa: “It wasn't me.”
- Arlo: “Rosa ate them.”
- Theo: “Rosa ate them.”

Who ate the cookies?

ANSWERS

Puzzle Advent Calendar: Days 1–4

No peeking until everyone is done.

December 1: Max Full grid: Vic: scarf, striped paper; Tara: puzzle, snowflake paper; Max: teddy bear, red paper.

December 2: Evergreen Truth: Evergreen. Fib: Nutmeg. Every other mix makes some statement come out wrong (all 4 mixes checked).

December 3: Ruby Chairs 1 to 4: Pia, Ruby, Ned, Vic. No other order fits every clue (all 24 checked).

December 4: Rosa If Rosa did it, only Rosa is lying. Any other culprit gives the wrong number of lies.

The hidden message: in the full calendar, the first letter of each day's answer goes into a box on the countdown page. Days 1–4 give M, E, R, R. Days 5–24 finish the message.
